

#1

Subtract. Use the same number of decimal places throughout.

$$3.2 - 1.5 = ?$$

 1.2 1.4 2.1 1.7

Show your work

#2

Subtract. Use the same number of decimal places throughout.

$$2.7 - 2.1 = \boxed{}$$

Show your work

#3

Add. Use the same number of decimal places throughout.

$$2.4 + ? = 6.8$$

 3.4 3.6 4.4 4.7

Show your work

#4

Add. Use the same number of decimal places throughout.

$$\boxed{} + 4.1 = 5.8$$

Show your work

#5

Subtract. Use the same number of decimal places throughout.

$$2.1 - \boxed{} = 1.6$$

Show your work

#6

Add. Use the same number of decimal places throughout.

$$3.5 + ? = 7.5$$

 3 5 1 4
